

2021 AGREEMENT FOR PARTICIPATION

This writing recognizes that _____, hereinafter, "participant" and _____, hereinafter, "Parent/Guardian" have been informed and acknowledges that the Parent/Guardian of the Participant in the **NUF Volleyball Club** is responsible for payment of all fees and expenses incurred on their behalf while they are a participant in the Club. Should any participant wish to withdraw from the Club before the scheduled completion of their season, they must do so by notifying the Club director their withdrawal by emailing Marsha at mshoe@hotmail.com.

Participants who withdraw from the Club after accepting a spot and/or once the season has started are responsible for payment of all fees and expenses incurred. This includes their share of fees for all tournaments in which they were scheduled to participate. A participant whose team is scheduled to compete in a tournament which involves hotel and/or airline reservations, may be responsible for their share of any and all expenses involved with that tournament unless the club is properly notified of their withdrawal at least 30 days in advance of the team's departure to that event. (A player who is unable to participate in an event that their team is scheduled to attend will still be responsible for their share of the entry fee.)

Failure of Participant and/or Parent/Guardian to pay any fees or expenses under this agreement shall be grounds for NUF Volleyball in seeking withdrawal from further action on behalf of Participant, and Participant and Parent/Guardian understand that Participant and/or Parent/Guardian, jointly and severally, shall still be liable for payment of all fees and costs herein. Participant and Parent/Guardian agree to pay the sum often (10) per cent interest per annum payable monthly, on any accounts more than 15 days past due, and to pay the costs of

collection, including attorney fees and court costs incurred as a result of Participant and/or Parent/Guardian's failure to pay.
